- ↗ Design surveying and planning for construction
- ↗ Civil engineering
- ↗ Building services
- ↗ Digital production, design, and development
- ↗ Digital support services
- ↗ Education and childcare
- ↗ Health
- ↗ Science

WHY T-LEVELS

T Levels give young people the skills and knowledge they need to get a head start towards their future career and support organisations like yours by combining both study and work experience with a real employer on an industry placement. Industry placements are already helping employers and their businesses go further. T Levels have been designed with the best employers to make sure students have the skills and knowledge you need, and you'll receive support with planning at every stage of the process from us.

T Levels are an alternative to A levels, apprenticeships and other 16 to 19 courses. Equivalent in size to 3 A levels. They include a substantial industry placement of 315 hours, which equates to nine weeks or 45 days over the two years.

HOW CAN T LEVELS BENEFIT YOUR BUSINESS?

Assisting a student as they progress through their T Level qualification brings rewards not just to you and our students but also to your organisation. By lending your support, you can:

- ↗ Grow your talent pipeline
- ↗ Streamline recruitment processes
- ↗ Influence learning for young people entering your industry
- ↗ Tackle skill shortages

THE NEXT LEVEL
WORKFORCE**

EMPLOYER SUPPORT FUND FOR T LEVEL INDUSTRY PLACEMENTS

The employer support fund provides financial assistance to employers offering high-quality T Level industry placements between 1 April 2023 and 31 March 2024.

This funding is to support legitimate costs that an employer incurs when offering a T Level industry placement opportunity and is considered on an individual basis.

HOW CAN YOU SUPPORT T LEVELS?

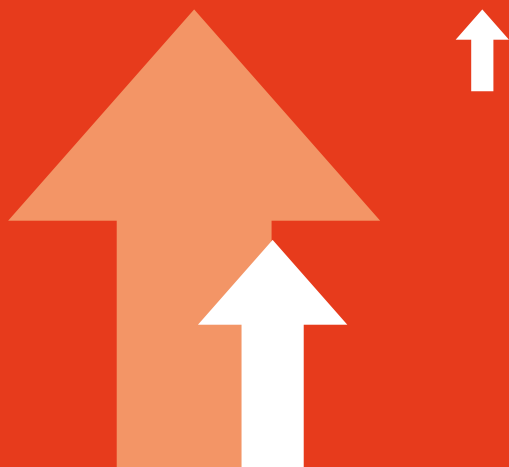

If you are interested in aiding a student in their pursuit of career aspirations, there are numerous avenues through which you can participate, such as:

- ↗ Offer a work placement to a student for up to 45 days over a two-year period
- ↗ Support with mock interviews
- ↗ Offer masterclasses
- ↗ Provide real-life projects for students to work on

EMPLOYERS

T-Levels are a game-changer in post-16 education, offering students a unique blend of classroom learning and real-world industry experience. It's all thanks to our fantastic employer partners who are opening up their doors to the next generation of talent.

OUTSTANDING SUCCESS

TOP MARKS FOR EDUCATION AND EARLY YEARS STUDENTS

The Education and Early Years T Level Programme achieved 100% Merit or above, which is an outstanding achievement.

ZUZANNA BUILDING A GREAT CAREER

Zuzanna achieved a Distinction for her T-Level in Design, Surveying and Planning in Construction. Zuzanna had her placement with Greenhatch Limited, who are experts in Geospatial Surveys. In March this year, she became a full-time employee of the company.
