### Enrolment for Students studying with us in 2018-2019

Student Services will be sending out invitations over the summer to both new applicants and existing students to attend our Welcome days or Enrolment events.

*If your child hasn't yet applied, don't worry, they can still [apply online](#), or, they are welcome to come along to one of our [Advice and Guidance or Open Enrolment events](#).*

### Derby Train Station Improvements between 22 July and 7 October

Derby Train Station is currently undergoing an extensive improvement programme. We anticipate that these works will cause a high amount of congestion around our Roundhouse campus entrance during our scheduled Enrolment and Welcome Days.

If you're dropping your child off at our Roundhouse Campus during these dates, we ask that you do so at our designated drop-off zones at our nearby [Hudson Building and Johnson Buildings](#) which are just a short 5-minute walk away. To read more about the Derby Train Station Improvements schedule take a look at their website [www.derby2018.co.uk](http://www.derby2018.co.uk).

# WE ENGLISH & MATHS

## **Maths and English**

We are at the end of the 2017/18 academic year. We hope your child has been successful in their studies and enjoyed their year at College.

GCSE results day is the 23rd August. Your child can collect their results from the maths and English team at the campus they have studied at. The results will be available for collection between 9.00 – 11.00 on the day. After this time, they will be posted out to your child's home address. Certificates will be posted to the address we have on the College system. If you have moved to a new house during the academic year, please remind your child to change their address at student services by completing an amendment form.

If a request for a copy certificate is made to the awarding body, there will be a cost that the student will have to meet.

If you have any questions regarding English or maths, please contact the English and maths team.

Many thanks for your support throughout the year.

The English and maths team.
