# ROUNDHOUSE CORPORATE

Roundhouse Corporate is the employer arm of Derby College Group. We work with employers across the construction industry to predict and serve their needs.

## OUR SERVICES

- **Skills solutions:** raise your quality of service by building a forward-looking, confident and capable workforce
- **Apprenticeships:** harness fresh new talent to secure the future success of your organisation
- **Higher education:** nurture the dynamic leaders of tomorrow, foster a culture of innovation and boost staff retention
- **English, maths and digital skills:** transform the efficiency and credibility of your organisation by enhancing your team's core skills
- **Professional training and development:** improve your management performance, upgrade your business administration and comply with latest legislation and regulations
- **Recruitment:** find enthusiastic and highly employable students to fill your part-time and casual vacancies
- **Conferences and events:** deliver professional and memorable events in our iconic venues

# WHY WORK WITH US?

- **Specialist qualifications:** we offer programmes across all trades – brickwork, groundworks, maintenance, carpentry and joinery, painting and decorating, plastering, plumbing and gas training, and electrical installation.
- **Professional construction expertise:** our advanced and higher education programmes prepare professionals for senior roles in fields like quantity surveying, building services engineering and construction management.
- **Well connected:** we are networked into the industry, with strong local, regional and national employer partnerships.
- **Inspirational settings:** our construction skills centres feature state-of-the-art learning resources.
- **Maximum flexibility:** our skills solutions are designed around you and your team, with work-based, part-time and distance learning opportunities.
- **Industry expertise:** our staff boast experience in a wide range of roles within the sector, offering quality teaching based on latest technologies, management systems, policies and practices.
- **High standards:** our engagement with employers was rated 'outstanding' by Ofsted, the Quality Assurance Agency gave our higher education provision its seal of approval and we have a string of national accolades for the standard of our careers advice.

# EXPERTISE AND SUPPORT

Whatever your business needs, Roundhouse Corporate helps you develop skills solutions which deliver exceptional results. We're with you every step of the way on your journey to success.

## **Business Development Consultant**

A member of our business development team will work with you to analyse your organisational needs.

## **Skills solution**

A holistic skills solution will then be negotiated with you, clearly identifying the benefits to your organisation.

## **Business support**

Your dedicated Business Development Consultant will liaise with you regularly to ensure that you are consistently delighted with our service. Throughout, they will measure the impact of the skills solution on your organisation, adapting and extending the service where necessary to reflect your real-time needs.

## **Flexible delivery**

Our team of professionals, all with experience relevant to your sector, will deliver your skills solution at a venue and time to suit your business needs. It may be at your own premises or at one of our vanguard centres of learning.

## **Business impact**

Your Business Development Consultant will evaluate how effective the skills solution has been for your organisation and the benefits you and your workforce have gained. They will also discuss any follow-up services to keep your journey to excellence on track.

# APPRENTICESHIPS

Designed specifically to meet your needs as an employer, apprenticeships ensure your workforce has the skills and qualifications you need now – and for the future.

Roundhouse Corporate boasts a wealth of expertise in recruiting and training apprentices for vital roles across the construction sector. They span areas such as brickwork, carpentry and joinery, electrical installation, painting and decorating, plastering, plumbing and gas training, and professional construction.

Ofsted inspectors said that our apprenticeships were well planned to meet the needs of employers and praised the way we help apprentices progress to sustainable employment, promotion and higher levels of responsibility in the workplace.

## THE BENEFITS FOR YOU

With an apprentice, you will be bringing in exciting new talent. They are eager, motivated, reliable and loyal to their organisation – and you can steer their progress to suit your business needs.

By joining forces with us to develop your apprenticeship provision, you could fill your skills gaps and solve your recruitment problems. Recent surveys show that a majority of employers find apprenticeships more cost effective than hiring skilled staff, reducing their spending on training and recruitment.

We help you find the ideal candidate for your vacancy: someone to fit in well at your organisation. We can even arrange work trials before you sign them up.

Our Assessors will then work with you and your apprentice all the way through the training to keep everything on track.

Flexibility is key. Our programmes can be adapted to suit your working schedules and achieve maximum impact with minimum disruption.

We are always happy to discuss different modes of delivering training and to advise you on the funding available to support apprenticeships, including guidance on the Apprenticeship Levy.

“ Apprentices develop good vocational skills which improve their employability, and which contribute to the success of their employers’ business. ”

Ofsted

## HOW IT WORKS

To help you maximise your return on investment in apprenticeships, we will:

- Send a Business Development Consultant into your organisation to support the process end-to-end
- Help plan your strategic workforce development and succession planning
- Advertise your vacancy for free over numerous media platforms across the Derby, Derbyshire, Nottingham and Nottinghamshire (D2N2) area and, in some cases, nationally
- Select prospective apprentices through robust screening and interviews – all at no cost to you
- Arrange interviews and/or selection days to choose the best person for your business – again at no cost
- Deliver training in essential employability skills to ensure your apprentice is ready for the workplace
- Assist you to access any additional funding to support apprenticeships
- Support you and your apprentice to gain maximum benefit from the programme
- Secure the provider for any endpoint assessments which might be needed.

# FIRST CLASS TRAINING

From all-important skills in English and maths to management qualifications, we offer highly flexible routes for you to upskill your workforce. We can foster greater confidence, capability and motivation within your teams.

## PROFESSIONAL DEVELOPMENT

Roundhouse Thinking delivers high-end training to help your organisation harness transferable skills, address complex challenges and drive growth and efficiency. This includes creating entirely bespoke programmes tailored to your values, culture and strategy.

Our team specialises in all aspects of leadership and management, HR, finance and customer service. We can also help you comply with regulations through accredited qualifications in areas like first aid, health and safety, fire safety and food safety.

Open courses and e-learning opportunities mean that you can bridge the skills gap instantly and your staff can benefit from studying on the go.

## BIM PROGRAMMES

Our virtual Autodesk® Academy offers training in the latest Building Information Modelling (BIM) technology software, based in a dedicated learning suite. The Academy is a partnership between Derby College Group, Microsoft, virtual education, and construction industry software experts Autodesk and Cadline.

## ENGLISH, MATHS AND DIGITAL SKILLS

British businesses employ some of the most talented people in the world but we often lag behind our competitors when it comes to the English, maths and digital skills of our workforce.

Employees with low or no English and maths qualifications can cost your organisation money, business and reputation. Our team of experts will work with you to deliver training programmes that upskill your staff in these crucial areas.

We also offer a full range of workshops to help your staff improve their computing, digital and administration know-how – an excellent way to provide your clients with more efficient and effective services.

This includes Microsoft Office Specialist training in packages such as Word and Excel. As a Microsoft Showcase College, we are part of a global network of institutions supported by the company to use technology to inspire quality teaching and learning.

# NURTURING LEADERSHIP

Dynamic, forward-thinking leaders will transform your organisation's productivity and performance. Our innovative higher education programmes can help your staff realise their potential and make even more positive contributions in the workplace.

## HIGHER EDUCATION

Making higher education part of your long-term workforce development plan is a smart move. At a time when high-calibre management professionals are urgently needed within the construction sector, we can give your staff clear progression pathways to advance their own career goals while setting new professional standards for your organisation.

For those who aspire to more senior roles, we deliver HNC qualifications in Building Services Engineering, Civil Engineering, and Construction and the Built Environment. Those with existing qualifications at HNC level can 'top up' to a HND in Construction and the Built Environment with just one year of distance learning.

Our portfolio also includes a Foundation Degree in Construction Management validated by Nottingham Trent University (NTU) and the Chartered Institute of Building (CIOB). It offers a direct route to NTU's honours degrees in subjects like Construction Management and Quantity Surveying for successful applicants.

With flexible delivery that fits around your organisation and your employee, these study pathways feature projects that can relate directly to improving standards, systems, processes and services in your workplace.

For the staff involved, they can also lead to professional status as members of bodies like the CIOB or Royal Institution of Chartered Surveyors (RICS), enhancing the credibility of your company.

# INVESTING IN THE FUTURE

Why not join us in shaping the workforce of the future? There are many ways in which you can work with Roundhouse Corporate to generate new talent for the success of your organisation and to enhance the economic wellbeing of our city, county and region.

## GET INVOLVED

You can help us in our mission to bridge the gap between education and employment.

### Shape the curriculum

Join one of our Employment and Skills Boards, where leading organisations collaborate with us to co-design and co-deliver learning opportunities for students. We have Boards for both Construction and Professional Construction which bring together employers from major companies and bodies such as the Construction Industry Training Board and the Institution of Civil Engineers.

### Establish an Employer Academy

Become one of the growing number of organisations which have set up specialist academies to work with a select group of high-calibre students and help them build sector-specific employability skills. Companies such as Atlas Building & Civil Engineering, the Bell Group and Cricket Derbyshire are harnessing the Academy approach to create a talent pipeline for the future.

### Offer work experience

Nothing beats on-the-job insights to equip students with the right skills and attitudes for their chosen career. You could help by offering placement opportunities, work experience and workplace visits – or run special projects to engage and challenge students.

### Deliver masterclasses

Your expertise and experience could motivate and inspire our students to achieve more. We welcome employers who can deliver guest lectures and careers talks or even provide professional mentoring.

# SERVING YOUR ORGANISATION

As part of its drive to bolster prosperity in the region, Roundhouse Corporate also assists employers with a specialist recruitment service and a professional conference and events service.

## LOOKING TO RECRUIT?

If you are seeking affordable, motivated staff who can cover casual shifts and work flexible hours, our Roundhouse Recruitment service could provide the ideal solution.

We can match you with enthusiastic students who want to earn extra cash through part-time employment while they are studying. Ours is a full recruitment service, bespoke to your requirements, and we have a proven track record for securing high-quality candidates to fill vacancies in a variety of organisations.

## PLANNING AN EVENT?

Conferences, ceremonies, exhibitions, formal dinners, training workshops, team away days – whatever you're planning, we offer an acclaimed events service with stunning venues to match.

Our dedicated and experienced Roundhouse Events team will help you plan and deliver memorable events to perfection, taking full advantage of the first-class facilities across the College's campuses in the city and county.

The flagship venue is the grade II\* listed Roundhouse, with its impressive architecture and world-renowned status in railway history. Having played host to the likes of *BBC Question Time* and the *Antiques Roadshow*, it is an iconic setting for event organisers looking for a space with immense potential and charm.
