

# Preparing for Interview

Below are examples of the interview questions that the teacher will ask you. Use the spaces provided to prepare your answers:

<b>Question</b>
Tell me about yourself? (strengths, weaknesses, key attributes, hobbies and interests)
<b>Your answer</b>

<b>Question</b>
If we asked your school/college/employer to describe your attitude and behaviour, what would they say?
<b>Your answer</b>

<b>Question</b>
How did you decide which programme of study to apply for? (Has the student done any research?)
<b>Your answer</b>

<b>Question</b>
-----------------

Do you have any relevant experience and skills for this course? (part time jobs, work experience, other achievements)
-----------------------------------------------------------------------------------------------------------------------

<b>Your answer</b>
--------------------

--

<b>Question</b>
-----------------

How does this course benefit your future study and career plans?
------------------------------------------------------------------

<b>Your answer</b>
--------------------

--

<b>Question</b>
-----------------

Back up plans – (have you considered any alternative options? Other courses or apprenticeships)
-------------------------------------------------------------------------------------------------

<b>Your answer</b>
--------------------

--
