<p>77/16-17 April 2017 Management Accounts</p>		
<p>The CFO confirmed the College was on track to achieve the 9% EBITDA measure to move to good financial health.</p>		
<p>The cash position was positive, which over this period historically had resulted in the need for overdraft facilities. However, stronger cash flows prevented this during this year's period.</p>		
<p>Kevin Slack, the Chair of Audit Committee, asked if cashflow would prove more difficult to achieve with the Apprenticeship Levy. The CFO said if the College builds up a cash balance then it is secure.</p>		
<p>The pay award was delayed and £200k has been factored into the budget for that.</p>		
<p>Graham Schuhmacher pointed out that under the Levy the payments will be deferred by three months as the apprentices have to be on programme for three months. The CFO said it will have a long term effect, but that cash flow was being rolled further forward.</p>		
<p>78/16-17 Budget Assumptions 2017-18, including Initial Funding Allocation 2017-18</p>		
<p>The CFO confirmed the headline budget targets were to achieve a total income of £51m, compared to (£49m in 2016-17) and a funding body income of £40.9m. Non-pay costs were at £13.9m and staffing costs were £32.8m (67%).</p>		
<p>The Chair questioned the 67% staffing costs; some of this related to the growth in the Apprenticeship area. The CFO said some external services were being reviewed, with a view to bringing in-house, with a service based rather than staffing based contract.</p>		
<p>The Board approved the headline recommendations.</p>		
<p>79/16-17 Sub-contracting Partnership Review – mid-year update</p>		
<p>The Deputy Principal – Employer and Economic Affairs summarised the financial and quality performance of sub-contracting partnerships.</p>
