# DOG GROOMING AGREEMENT FORM

I understand that Grooming at Derby College Group is a training facility, and the groom will be undertaken by a trainee, supervised by a trained member of staff.

I agree to the College taking photographs of my dog throughout the groom, to be used as evidence of training.

I understand that the college reserves the right to refuse any dog that is ill, injured or displaying signs of behaviours that could cause injury to staff and students.

I understand that all dogs that come into the grooming salon must be up to date with vaccinations and proof will be required prior to the groom.

I understand that prices are based on the condition of the coat, and a coat checked will be carried out before the groom if any matting or knots are discovered than an extra charge may be added to the price.
